

Livia Lika

SOFTWARE ENGINEER

Tirana, Albania • likalivia5@gmail.com • linkedin.com/in/livia-lika-1b3593288 • github.com/liv365

Software Engineer building modern web applications across Java, Spring Boot, C#, .NET, TypeScript, Node.js, Python, PHP, JavaScript, and MySQL, from concept to deployment, with clean code and clear communication.

PROFESSIONAL EXPERIENCE

Salesforce Developer

Aug 2026 - Present

O5 Operations, Tirana, Albania · On-site · Full-time

- Developing and customizing Salesforce solutions using Apex, Lightning Components, and Flow automation
- Configuring the Salesforce platform to support internal business processes and operations
- Collaborating with cross-functional teams to gather requirements and deliver Salesforce-based solutions

Web Developer & AI Engineer

Jan 2026 - Jul 2026

Upwork · Contract

- Built and maintained websites for freelance clients as an independent contractor
- Delivered responsive front-end interfaces and implemented client-requested features and revisions
- Built and integrated AI-powered features and automations for client projects
- Managed client communication, project scope, and delivery timelines directly

Media Operations Manager

2024 - 2026

Acromax Media, Tirana

- Managed digital rights, content protection, and anti-piracy for international clients across YouTube, Facebook, TikTok, and Instagram
- Handled monetization and revenue management through YouTube CMS and Facebook Rights Manager
- Ensured platform compliance while maximizing content reach and revenue

Front-End Developer

2024

Ketri Web, Software Development Company

- Built responsive interfaces with HTML, CSS, and JavaScript
- Integrated APIs and worked on UX/UI design
- Used Git for version control, testing, and debugging in a team workflow

Software Developer

2023 - 2024

Intermedia, Tirana

- Developed hotel management software (PMS, booking engine, channel manager) using Java, Spring Boot, and JavaScript
- Worked across back-end and front-end on production systems used by real businesses
- Planned tasks, tracked progress, and delivered within deadlines
